Each day through my window I watch her as she passes  
by  
I say to myself, "You're such a lucky guy"  
To have a girl like her is truly a dream come true  
Out of all the fellas in the world, she belongs to you

But it was just my imagination,  
Running away with me  
It was just my imagination,  
Running away with me

Soon we'll be married and raise a family  
A cozy little home, out in the country, with two children,  
maybe three

I tell you I can visualize it all  
This couldn't be a dream, for too real it all seems

But it was just my imagination, once again  
Running away with me  
Tell you, it was just my imagination,  
Running away with me

Every night, on my knees I pray  
"Dear lord, hear my plea  
Don't ever let another take her love from me  
Or I will surely die"  
Her love is heavenly  
When her arms enfold me  
I hear her tender rhapsody  
But in reality, she doesn't even know me

It was just my imagination, once again  
Running away with me  
Oh, tell you, it was just my imagination,  
Running away with me

I never met her, but I can't forget her

Just my imagination, yeah, yeah, yeah  
Running away with me

Oooh, just my imagination,  
Running away with me  
(fade
