The keys to your love
I've got the keys to your love

No matter where I go babe, no matter what I do
I spend my whole life honey, just thinking o' you
Yeah it don't seem to matter, who's right and who's
wrong
I wanna tell you how I feel now, in the words of this
song
Want to baby put a spell on you
There ain't nothing that you gonna do

I've got the keys to your love
I've got the secret of your heart
No matter where you go baby
We're not too far apart

I got the keys to your love
I got the secret of your heart
No matter where you go honey
We're not too far apart
Nah
Nnn nnn
Now try to lock me out, I can always get in
I've got every permutation, every code and every pin,
huh
I'm so crazy about ya, yeah that's the word on the
street
Yeah I bet you heard all about it from the people you
meet

You know baby, I put a spell on you
Can't take it off now, there ain't nothing you can do
I've got the keys to your love
I play the keys of your heart
It'll sound so sweet baby
Won't stop once it starts

I got the keys to your love
I've got the secret of your heart
No matter where ya go baby

We're not too far apart
Oh

You're all that I've got
Without you, baby, my life's kinda shot
I look for your face
'cause no one else could fill this space

Watch out baby, I put a spell on you
You can't resist it, just I'll hoodoo you

I've got the keys to your love
I've got the secret of your heart
No matter where I go baby
We're not too far apart
No matter where I go baby
nnn No matter where I go sugar
Wah nah

nah

nah

nah

nah

nah

nah

nah

nah

I've got the keys to your love; baby

The keys to your love Aaaaahhhaaahhhaaa

The keys to your love

The keys to your love

The keys to your love

The keys to your love
