I've told you once and I've told you twice
You'd better listen to my advice
You don't try very hard to please me
With what you know it should be easy

Well this could be the last time
This could be the last time
Maybe the last time
I don't know

I'm sorry girl but I can't stay
Feeling like I do to-day
Staying here is too much sorrow
Guess I'll feel the same tomorrow

Well this could be the last time
This could be the last time
Maybe the last time
I don't know
Oh no

Well this could be the last time
This could be the last time
Maybe the last time
I don't know
Oh no

I've told you once and I've told you twice
Someone'll have to pay the price
Here's the chance to change your mind
I'll be gone a long long time

Well this could be the last time
This could be the last time
Maybe the last time
I don't know
Oh no
