(M. Jagger/K. Richards)

Who's that woman on your arm all dressed up to do  
you harm  
And I'm hip to what she'll do, give her just about a  
month or two.  
Bit off more than I can chew and I knew what it was  
leading to,  
Some things, well, I can't refuse,  
One of them, one of them the bedroom blues.  
She delivers right on time, I can't resist a corny line,  
But take the shine right off you shoes,  
Carryin', carryin' the bedroom blues.  
Oo...

In the bar you're getting drunk, I ain't in love, I ain't in  
luck.  
Hide the switch and shut the light, let it all come down  
tonight.  
Maybe your friends think I'm just a stranger,  
Some face you'll never see no more.

Let it all come down tonight.  
Keep those tears hid out of sight, let it loose, let it all  
come down.
