(Jagger/Richards)

Good evening one and all we're all so glad to see you
here

We'll play your favorite songs while you're all soak up
the atmosphere

We'll start with old man river, then maybe stormy
weather, too

I'm sure you know just what to do
On with the show good health to you

Please pour another glass, it's time to watch the
cabaret

Your wife will never know that you're not really working
late

Your hostess here is Wendy, you'll find her very
friendly, too

And we don't care just what you do
On with the show good health to you

Petina, start the show at 2 o'clock

And if by chance you find that you can't make it
anymore

We'll put you in a cab and get you safely to the door
But we've got all the answers, and we've got lovely

dancers, too

There's nothing else you have to do
On with the show good health to you

You're all such lovely people dancing gaily round the
floor

But if you have to fight, please take your trouble out the
door

For now I say with sorrow, until this time tomorrow
We'll bid you all a fond adieu

On with the show good health to you
