(M. Jagger/K. Richards)

One time you were my baby chicken  
Now you've grown into a fox  
Once upon a time I was your little rooster  
But am I just one of your cocks

It's rough justice on ya  
You're going to have to trust me  
It's rough justice  
But you know I'll never break your heart

So put your lips to my hips, baby  
And tell me what's on your mind  
I know you've still got the animal attraction for me  
It's been a long, long time

It's rough justice on ya  
We never thought it risky  
It's rough justice  
But you know I'll never break your heart

You're feeling loose and lusty  
So if you really want me  
Yeah, it's rough justice  
And you know I'll never break your heart...Yeah

It's rough justice on ya  
You think you really sussed me  
It's rough justice  
But you know I'll never break your heart

The first time I saw you, baby  
You were springing like a young gazelle  
And next thing I know, way down the road  
You were flying like a bat out of hell

It's rough justice on ya  
Your eyes are too disgusted  
You're going to have to trust me  
But you know I'll never break your heart

I give you my positions  
Don't want no oppositions  
It's rough justice  
But you know I'll never break your heart

Yeah  
Come on baby Woo..
