Dum deedle dee dum dum
Little girl, where did you come from
Try a little bit to make my mouth dribble
Come on baby, let's ride away in the rain
Baby you drive me crazy
Drive my poor heart hazy
Got my senses reeling
Baby, what a feeling
Come on baby, let's ride away in the rain
She said yeah, dum deedle dee dum dum
She said yeah, dum deedle dee dum dum
She said yeah, yeah yeah yeah
Come on baby I want to make love to you too
Well you got me craving
Dum deedle dee dum dum
My love you've been saving
dum deedle dee dum dum
It's you I miss
I want a kiss
Come on baby, don't you treat me like this
She said yeah, dum deedle dee dum dum
She said yeah, dum deedle dee dum dum
She said yeah, yeah yeah yeah
Come on baby I want to make love to you too!
Yeahhhh!
Well I got the feeling, dum deedle dee dum dum
In my soul, dum deedle dee dum dum
I'm gonna love you
No one above you
Come on baby, just let me love you, yeah!
She said yeah, dum deedle dee dum dum
She said yeah, dum deedle dee dum dum
She said yeah, yeah yeah yeah
Come on baby I want to make love to you too!
