(chorus x2)

She comes in colors everywhere
She combs her hair
She's like a rainbow
Coming, colors in the air
Everywhere
She comes in colors

Have you seen her dressed in blue?

See the sky in front of you
And her face is like a sail
Speck of white, so fair and pale
Have you seen a lady fairer?

(chorus)

Have you seen her all in gold
Like a queen in days of old?
She shoots colors all around
Like a sunset going down
Have you seen a lady fairer?

(chorus)

She's like a rainbow
Coming, colors in the air
Oh, everywhere
She comes in colors
