"The Nearness Of You"

Its just the nearness of you

Its not the pale moon that excites me
That thrills and delights me,
Oh no
Its just the nearness of you

It isn't your sweet conversation
That brings this sensation,
Oh no
Its just the nearness of you

When I'm in your arms
And I feel you so close to me
All my wildest dreams
Came true

Its just the nearness of you

I need no soft lights to enchant me
If you'll only grant me
The right
To hold you ever so tight
And to feel in the night
The nearness of you.
The nearness of you.
To feel the nearness of you
