Another night, another dream but always you  
It's like a vision of love that seems to be true  
Another night another dream but always you  
In the night I dream of love so true

Just another night, another vision of love  
You feel joy, you feel pain, 'cuz nothing will be the  
same  
Just another night is all that it takes  
To understand the difference between lovers and  
fakes

So baby, I talk talk, I talk to you  
In the night in your dream of love so true  
I talk talk, I talk to you  
In the night in your dream of love so true

In the night, in my dreams, I'm in love with you  
'Cuz you talk to me like lovers do  
I feel joy, I feel pain, 'cuz it's still the same  
When the night is gone I'll be alone

Another night, another dream but always you  
It's like a vision of love that seems to be true  
Another night another dream but always you  
In the night I dream of love so true

Just another night, another dream  
Another vision of love with me, I'm here to set you free  
I am your lover, your brother, hey sister let me cover  
Your body with my love is with my lovin' just another

Vision of love that seems to be true  
All we do all the things that only lovers do  
Vision of love that seems to be true  
All we do all the things that only lovers do

In the night, in my dreams, I'm in love with you  
'Cuz you talk to me like lovers do  
I feel joy, I feel pain, 'cuz it's still the same  
When the night is gone I'll be alone

Another night, another dream but always you  
It's like a vision of love that seems to be true  
Another night another dream but always you  
In the night I dream of love so true

I talk talk, I talk to you in the night  
In your dream of love so true  
I talk talk, I talk to you in the night  
In your dream, of love so true

In the night, in my dreams, I'm in love with you  
'Cuz you talk to me like lovers do  
I feel joy, I feel pain, 'cuz it's still the same  
When the night is gone I'll be alone

Another night, another dream but always you  
It's like a vision of love that seems to be true  
Another night another dream but always you  
In the night I dream of love so true
