Automatic, automatic lover, automatic, automatic lover..

Chorus:

Call for love, i will call you up cuz you're my automatic lover,

You're number one, call for love.

I will call you up cuz you're my

Automatic (automatic) my automatic lover.

Can you feel the force, can you feel it,
Can you deal with my ----- and combination, with absolute sophistication.

Deep deep down deep, in my heart may beat,
You know there's something deep inside, a kind of mystery.

So if you really need to satisfy your burning desire, you better call me up and i will set you on fire.

I feel my love is growing stronger, i can't fight this feeling.

I need your lovin all night long, i can't control myself.

Chorus

Automatic, automatic lover, automatic, automatic lover.

Your wish is my command, i'm a teacher, not a man

Cuz i got everything it takes to be your everlasting friend.

You know i'm someone very special, a brand new love attraction

And if you dial my number i will give you satisfaction.

Yes call for love get in touch with me,

To feel my super-magic space erotic ecstasy.

I feel my love is growing stronger, i can't fight this feeling.

I need your lovin all night long, i can't control myself.

Chorus twice
