Come and get your love
Come and get your love
Come and get your love now
Come and get your love
Come and get your love
Come and get your love

Yeah what's the matter with your head, oh yeah
Yeah what's the matter with your mind and your sign
and oh yeah

How am I gonna get it baby gonna get my loving?
Talk to me tell me how I'm gonna get it
I'm ready for you baby ready for your loving
Don't make me wait 'cuz I really need to get it

Yeah with it baby 'cuz you're fine and you're mine
And you look so divine
Come and get your love
Come and get your love
Come and get your love
Whoa yeah come and get your love

Yeah what's the matter with you feel right
Don't you feel right baby
Yeah yeah yeah look at it from the mainline, all right
