Up over the hills lads, there's nothing to fear  
There's a pub they say across the way  
With whisky and beer  
It's a lengthy journey on the way up  
To the top  
But it ain't so bad if you have  
A great big bottle o'scotch

Dancin' around the whisky  
Dancin' around och aye!  
Hey ho, away we go  
We'll dance and drink until we die

Whisky ja for breakfast on a cold and frosty morn'  
You go right for that bottle it's like you've been reborn  
When you're drinkin' down that bottle  
It's like you've been reborn
