So you broke your neck
At the age of 13
Said it's a rough break kid
Wonder what they're gonna do with me

Don't feel bad for me 'cos
I feel bad for you
You say you got no friends now
Well I've got more than I know what to do with

Jim's cup drank was never half empty
His cup drank was always half for full
Like a wild Cattyotye in a wheelbarrow

Drinking in the bush
All his best friends were there
The stars alight in Jimmies eyes
Tumbling dice just another step away

Jim's cup drank it was never half empty
His cup drank it was always half for full
Like a wild Cattyotye in a wheelbarrow
