(Ft. Mr. Lif, Gift Of Gab & the Grouch)

Chorus:

Turn the radio up, and get the base swag, in your face,  
Tell me, tell me what it tastes like!  
Turn the radio up, to have the bump cool fuck you  
Probably won't forget how it start!  
Turn the radio up, it make you crack now,  
Stop now, fill it .. what the track is about!  
Volume up and talking maximal  
Play the mother fucker loud!  
Turn it up, turn it up, turn it up!

Yow, you wanna see the one and only rap,  
Daemon screaming,  
Rocking the,  
You turned it up, forty miles I survive,  
I leave a.. to return the data,  
Whoever fallin', I turn,  
,we're populating, we,  
If I give you some music, you watch,  
..to make the same mistakes twice,  
It looks stupid! Boom you did it again, it's chocking,  
I never, when I meditate, zen!  
Then I flow to, amplify ,

Chorus:

Turn the radio up, and get the base swag, in your face,  
Tell me, tell me what it tastes like!  
Turn the radio up, to have the bump cool fuck you  
Probably won't forget how it start!  
Turn the radio up, it make you crack now,  
Stop now, fill it .. what the track is about!  
Volume up and talking maximal  
Play the mother fucker loud!  
Turn it up, turn it up, turn it up!

.. bust 'em, stop 'em , drop 'em,.  
What are we in for? ..  
Really nothing,  
Fuck shit up,

..after you've been captured to ..

Chorus:

Turn the radio up, and get the base swag, in your face,  
Tell me, tell me what it tastes like!  
Turn the radio up, to have the bump cool fuck you  
Probably won't forget how it start!  
Turn the radio up, it make you crack now,  
Stop now, fill it .. what the track is about!  
Volume up and talking maximal  
Play the mother fucker loud!  
Turn it up, turn it up, turn it up!

On a daily, when people , they might attack your,  
They just wanted to go playing, playing,  
..and make me not hear the same things!  
Every twenty minutes in a row,  
So they're busting on the iPods you two ,  
It don't gotta be a,, that's probably an,  
.. into the system, when I'm efficient again!  
..and gyms,  
Now connect the dots, to affect the world, respect the ,

Chorus:

Turn the radio up, and get the base swag, in your face,  
Tell me, tell me what it tastes like!  
Turn the radio up, to have the bump cool fuck you  
Probably won't forget how it start!  
Turn the radio up, it make you crack now,  
Stop now, fill it .. what the track is about!  
Volume up and talking maximal  
Play the mother fucker loud!  
Turn it up, turn it up, turn it up!
