LA!  
that's how I roll, son!  
Got a new shirt  
And a brand new stroll, son.

It's crazy hot, five million degrees  
I'm praying on my knees  
Just to get a little breeze.

Forget about B's,  
I got Q's on my head  
And all the other letters take a cruise on my head  
Bruce Lee's chillin' reading the news on head  
And a moosey's punching a bruise in my head.

Damn Skippy, i moved to California  
Brand new show,  
But, yo, i gotta warn ya  
If you carrot me,  
Then you know i gotta corn ya.  
Your footsie is stuck?  
Well I'll shoe-horn ya.

I'm Andy Milanokis  
And this is me show  
After me flow you know me got to go

And this LA sun  
For my New York snow  
This Shmell Shmay Shun  
For my Shmew Shmork Shmow.

PEACE.
