Yo yo yo,

Check out my sippy cup watch how I drink it
I fills it with water and juice what'chu think kid

Not at the same time sometimes just water
I slap you in the face and then I marry your daughter

Sip sip sip, I sip my sippy cup
Put on my jacket then I zip zip it up

Gonna go outside with my sippy sippy cup
Gonna go to Mississippi with my sippy sippy cup

One my sippy cup, two my sippy cup, three my sippy
cup
Hu Hu hike with my sippy cup

Thats right I just threw it in the river
My sippy cups cold but it will never shiver

Cuz it was made for cold drinks to be in it
I love my sippy cup every hour every minute

Wrote my sippy sippy cup a sippy sippy poem
He said yo, get out of my home!

Then we made up cuz I cooked him a pork roast
I drank some juice and it tasted mad gross

Oh no y'all pork fat in my juice
Oh no y'all, pork fat in my juice

What am I to do?
What am I to do? Oh no
What am I to do?

The moral of the story is to never let your sippy cup eat
stuff y'all
Cuz it makes the drinks taste mad gross

Peace
