My Fury, My Hate by REALM

Jesus is gone
He died long ago
The earliest dawn
The earliest hoax
Your god is a fake
He doesn't exist
No souls will he take
I'll die atheist
Christ was a man
His father was too
No virgin was pregnant
But what could she do
Sex before marriage
I'm daddy's little girl
I'll dream up a god
And ruin the world
I will take your cross
And turn it upside down
It will be your god
That I will decrown
Your skulls I'll walk on
Your Bible , My bait
You started every war
My fury-my hate
Everything you were taught
Was all a hoax
Jesus was caught
And died on a post
He never came back
He didn't live again
He was demoniac
Assumed resurrection
The Romans were right
They voiced crucifixion
For a man who's words
Bled contradictions
Let's be blissful he's dead
He ruined the earth
Now let's burn his book
And disregard his birth

Chorus
My fury, my hate
Eager in my heart
Yearning to sedate
My fury, my hate
Passion to destroy
The god you fabricate
My fury, my hate
Keeps on building
As sixes congregate
My fury, my hate
Even if it is true
Your hell still awaits!!!!
