Sakai no nai jiyuu na sekai mezashi

Dareka to sugosu atsui yoru wa
Kanarazu tsumetai asa ga matte iru
Kekkyoku hitori da

Ningen wa mina hitori dakara
Yami o kaki wake tomo ni aruku hito
Motometeru We're all alone, all alone

Close the window calm the light
And it will be all right, no need to bother now
Tomo ni aruku hito motometsudzukeru
We're all alone

Ningen wa mina hitori dakara
Sakai no nai jiyuu na sekai mezasu
Futari de yukeba
