Whoo, listen here mayn  
This one here, is for the haters  
Understand this here daddy

[Hook]

(Ain't no love), never have never will be  
I'm still on the grind, still out for mine and I'm still me  
(Ain't no love), that's just how it is  
Sometimes you really gotta handle your bis

[Chris Ward]

With so much drama, in the YSP  
It's kinda hard, being C. W-A-R-D  
But I, somehow some way  
Keep coming up with funky ass shit, like every single  
day  
With more flows than the average, I'm on my toes  
With mo' clothes and mo' hoes, and it shows I'm not  
your average  
If I see it I just grab it, that's if I want it  
Or I need it, or I just got that feel I gotta have it  
Good pussy I'ma stab it, hop up on it  
Hop up in it, hop all around it just like a rabbit  
It's really a babbit, if you from H-Town  
You cop it you drop it, you swing it and you slab it  
Ooh-wee dag nabbit, I'm too fresh with my playerness  
Some say I got, what the rest of these playas missed  
That's why, I fuck the women that they wanna fuck  
Or at least fuck the ones, that tell em they don't wanna  
fuck cause

[Hook]

(Ain't no love), never have never will be  
I'm still on the grind, still out for mine and I'm still me  
(Ain't no love), ain't no love at all  
I'm just running with my niggaz, that love to ball

(\*talking\*)

I tell ya (ain't no love)  
Uh-uh, uh-uh, uh-uh

Ain't no love, motherfucker listen nigga  
(Ain't no love), never have never will be  
I'm still on the grind, still out for mine and I'm still me  
Yeah, ha-ha (hey, hey, hey)
