You ..... don't know what is on your mind  
Then I want you to leave all your troubles behind  
Baby, what do I do. Baby, what do I know  
Whatever you may do, I will do it with you  
Hey, it's not in your head but it's in your heart  
Together we can make a brand-new start  
It's all or nothing. Baby, I need a clue.  
What can I do for you ?

Get me, get me going, get me dancing  
That's all I need  
Get me going, get me grooving, get me moving  
That's all I want
