Lord we come into this place at night.
Flood our mercies worthy come it's light.
Take a hold as our one day hearts.
Their is no other place that starts.
Will the real of the you ka brink.
He dicided to say

We've come to praise you!
We've come to praise you!
You are god (You are god)
You are God (You are God)
You are holy (You are holy)
You are holy (You are holy)
We've come to praise you!
We've come to praise you!
You are God (You are God)
You are God (You are god)
You are worthy (You are worthy)
You are worthy (You are worthy)
We've come to prase you!
We've come to praise you!

REPEAT FIRST LINE AND CHORUS:
