Well, after all that we've been through  
Would you still call this love, baby?  
'Cause love's the only proof  
That the ugly could be beautiful.

God knows I'm feeling spent  
Though I've still got my money, honey  
Money's the revenge  
Of the ugly on the beautiful.

Well, the drugs just ain't enough  
Though I like the way they made us crazy  
But love's the only drug  
Turns the ugly into beautiful

And I can't tell you why  
I'm still so much afraid of dying  
When dying reconciles  
The ugly with the beautiful.

Though we've been burned by it  
Let's still believe in love  
'Cause love's the greatest gift  
Of the ugly to the beautiful.
