Ba ba ba ba ohhh

all my friends
through times and through the very end
of all were fightin
i guess my baby shes so exciting
oh yeah
and all my friends
they call here they come again
with all the trouble
i guess my baby shes on the double
oh yeah
but at night i tell her
and she turns around over you
tell me what can i do?
ba ba ba ba ohhh
ba ba ba ba ohhh
ohh yeah
so where are you?
two times you told me what to do
but all were crying
i guess my baby shes so defying
ohh yeah
and all my friends
they call here they come again
with all the trouble
i guess my baby shes on the double
ohh yeah
but at night i tell her
and she turns around over you
tell me what can i do?
ba ba ba ba ohhh
ba ba ba ba ohhh
ba ba ba ba ohhh
ba ba ba ba ohhh
