Money, that, all I talk is money that
All I talk is money whores.

Cause I know that you heard about us...

Cush, light, bimboes, I don't fuck, I broke hoes
Money, that, all I talk is money that
All I talk is money whores.

Ain't talking about money little mother fuckers gotta go
Cush, light, bimboes, I don't fuck, I broke hoes
Money, that, all I talk is money that
All I talk is money whores.
Ain't talking about money little mother fuckers gotta go
Ain't talking about money little mother fuckers gotta go
