Two times today
I had to call you up
To let you down
Don't wanna let you down

Two times today
I ran out of luck
And I let you down
Don't wanna let you down

'Cause I fall down
When you're not around
Yeah, I fall down
When you're not around

Two times today
I messed up
And let you down
Don't wanna let you down

Thought I heard you say
I nearly lost your love
'Cause I let you down
Don't wanna let you down

'Cause I fall down
When you're not around
Yeah, I fall down
When you're not around

I fell down
Two times today
I fell down
Two times today

Yeah, I fall down
When you're not around
Yeah, I fall down
When you're not around

I feel, I'm falling down
Take a look at me

Can you see me fall
I'm falling down

Oh, can't you see me falling down
Can't you see me fall
Oh, can't you see me falling down
Can't you see me falling down

I feel, I'm falling down
I feel, I'm falling down
Take a look at me, I'm falling down
Please don't let me fall
