When you're here  
every thought I ever had  
becomes clear  
But when you're far  
the only light I ever see  
is the Stars  
And when you go,  
the feelings burn  
as they grow  
Cause to me,  
to me you're Beautiful

But when you're here  
Josephine  
the stars don't shine so bright  
But Yeah with me  
Josephine  
You'd never sleep at night  
But when you're here  
Josephine  
the stars don't shine so bright  
But Yeah with me  
Josephine  
You'd never sleep at night

But when you go  
I never sleep as I do  
And in my dreams  
I hold you like I never  
will release  
But when you're here  
Josephine  
the stars don't shine so bright

But Yeah with me  
Josephine  
You'd never sleep at night  
But when you're here  
Josephine  
the stars don't shine so bright  
But Yeah with me  
Josephine

You'd never sleep at night

I'm dreaming of you  
Are you dreaming it too  
I'm dreaming of you  
I scream your name  
But when you're here  
Josephine  
the stars don't shine so bright  
But Yeah with me  
Josephine  
You'd never sleep at night  
But when you're here  
Josephine  
the stars don't shine so bright  
But Yeah with me  
Josephine  
You'd never sleep at night

My Josephine

I'm dreaming of you  
Are you dreaming it too  
I'm dreaming of you  
I scream your name
