Got a letter from my sister
I realized how much I missed her
Tells me that she's far away
Oh, so very far away

Oooohhhh

She tells me that she is in love
It's all she's thinking of
Tells me that it's herb this time
Playing games with her mind

She thinks she'll
Never be the same
She's playin' a big guy's game
And the world is spinning 'round
Throws her hands out and falls to the ground

Hi ye yi yeah

She tells me that she is in love
It's all she's thinking of
Tells me that it's herb this time
Playing games with her mind

She thinks she'll
Never be the same
She's playin' a big guy's game
And the world is spinning 'round
Throws her hands out and falls to the ground

Hi ye yi yeah
Hi ye yi yeah
Hi ye yi yeah

Throws her hands out and falls to the ground

Falls to the ground
Falls to the ground
Falls to the ground

Down

Down
Down
Down
Down
Down

Throws her hands out
Throws her hands out

Down
Down
Down
Down
Down
Down
Down
Down
Down
Down
Down

Falls to the ground
Falls to the ground

Falls to the ground

Hi ye yi yeah
Hi ye yi yeah
Hi ye yi yeah
