Visit "[Serenade Me](#)" on MotoLyrics.com

Through walls you'd walk to serenade me
Through all this talk you know you made it
I'm washed up here now
Left here on my own
These days these days they go on forever

Sweet little child don't be afraid
Your daddy still loves you though he can't stay
It's not easy being on your own
Oh I know you'll find your way
Oh I know you'll find your way

Sweet little child don't cry
Your daddy still loves you though he can't stay
It's not easy growing up on your own
Oh I know you'll find your way
Oh I know you'll find your way

I don't believe in all the words they tell us
I don't believe that there is no one left to help us
I don't believe it no I believe in you
And you'll find your way
You'll find your way
You'll find your way I know
You'll find your way

You'll find your way
Through the hard times
When you climbing up the walls
Through the heartbreak

Cause he never wants to call
Through the heartache
You'll find your way
You'll find your way
You'll find your way
I know you'll find your way
Sweet little child
Sweet little child
My sweet little child
You'll find your way
You'll find your way

I know you'll find your way
You'll find your way
My sweet child you'll find your way
