She feels electric
To the touch
Sugar coated lemon drop
Is how she looks
Strange and eclectic
A little much
Every second counts
Before your time is up
Your time is up
Come on come on
Come on come on
Come on come on

You can hear her
Tic Tic Tic Tic

She's a bomb and
she's gonna explode
She's sky-rocket
She's overload
No need to whisper cause
She already knows
Yeah she's too hot to handle
But you can't let go
So come on

You've been infected
By her touch
Racing through your veins
You'll never get enough
You Get Enough
Come on come on
Come on come on
Come on come on

You can hear her
Tic Tic Tic Tic Tic Tic Tic

She's a bomb and
She's gonna explode
She's sky-rocket yeah
She's overload

No need to whisper cause
She already knows
Yeah she's a to hot handle
But you can't let go
Come on come on
Come on come on

Tic tic boom
Tic tic boom
Tic tic boom
Tic tic boom
She's a bomb and
She's gonna explode
She's loves' addiction
And you have overdosed
She's a bomb and
She's gonna explode
She's a bomb and
She's gonna explode
