I see the fear in the things we don't understand  
I see the fear in another blind man  
I can't hold back this fight that stills inside  
I can't hold back who I am

I know you're strong  
I know you belong  
I know you are strong  
My beautiful one

I know you're strong  
I know you belong  
I know you are strong  
My beautiful one

I can't turn away from what I believe  
I can't destroy or deceive oh no, oh no, oh no  
I know a beauty in all that I can see  
I can't hold on but you can't release

I know you're strong  
I know you belong  
I know you are strong  
My beautiful one

I know you're strong  
I know you belong  
I know you're strong  
My beautiful one

'Cause they can't hold you  
And they can't hold me  
And they can't hold on  
To what they can't believe

And they can't hold you  
And they can't hold me  
And they won't understand  
Till a blindman see

I know you're strong  
My beautiful one

I know you're strong  
I know you belong  
I know you're strong  
My beautiful one

I know you're strong  
And I know you belong  
I know you're strong  
My beautiful one
