Do you know  
Do you know  
Do you know where you will go

If a DC-10 ever fell on your head and you're  
Laying in the ground all messy and dead  
Or a Mack truck run over you  
Or you suddenly die in your Sunday pew

Do you know where you're gonna go

It can happen any day  
It can happen anywhere  
It can happen while you're nappin' in your easy chair  
It can happen at home  
It can happen at school  
It can happen while you're scattin' like a scattin' fool  
Do you know where you're gonna go

Do you know where you're gonna go  
Do you know where you're gonna go  
Do you know where you're gonna go  
Straight to Heaven  
Or down the hole?

A 747 fell out of heaven  
Crashed through the roof of a 7-11  
You're working on a slurpee  
Things get hazy  
Reach for a twinkie now you're pushing up daisies  
Do you know where you're gonna go
