An image flashed across my TV screen  
Another broken heart comes in to view  
I saw the pain and I turned my back  
Why can't I do the things I want to?  
I'm willing yet I'm so afraid  
You give me strength  
When I say

#### CHORUS

I want to be your hands  
I want to be your feet  
I'll go where you send me  
I'll go where you send me

#### REPEAT CHORUS

And I try, yeah I try  
To touch the world like You touched my life  
And I'll find my way  
To be your hands

I've abandoned every selfish thought  
I've surrendered every thing I've got  
You can have everything I am  
And perfect everything I'm not  
I'm willing, I'm not afraid  
You give me strength  
When I say

#### CHORUS 2X

And I try, yeah I try  
To touch the world like You touched my life  
And I'll find my way...

#### BRIDGE

This is the last time  
I turn my back on You  
From now on, I'll go out  
Send me where You want me to  
I finally have a mission

I promise I'll complete  
I don't need excuses  
When I am your hands and feet  
(I am your hands and feet)  
(hands... feet... go... go...)

CHORUS 3X

I will go  
I will go where you send me  
I will go  
I will go where you send me  
I will go, go  
I will go, go  
I will go, go where you send me

CHORUS
