This is a song of celebration
This is a song of declaration
That the blind will see
That the deaf will hear
That the lame man will leap like a deer

I come today in faith believing
I come today; my past I'm leaving.
I will run my race
I will persevere
I will press on for the goal that is near

Raise up a shout
That breaks the heavy yoke
Can I dance
To make the enemy choke
I clap my hands
In wild applause
'Cause I know my Saviour reigns

I break the yoke of heaviness
And I will not settle for less
I will loose the bonds,
Let the oppressed go free,
I will go forth in victory.

Raise up a shout
That breaks the heavy yoke
Can I dance
To make the enemy choke
I clap my hands
In wild applause
'Cause I know my Saviour reigns
(repeat)

Raise up a shout
And I dance
I clap my hands
Oh and I dance, I dance
I clap my hands
I dance, I dance

I clap my hands
And I know my Saviour reigns
