Holy Spirit, I surrender to You [x2]

Take my life I lay it down
All my gifts and all my crowns
Take my life I lay it down
I am Yours

And I am in love, with undivided focus
And I am in love with You

Holy Spirit, I surrender to You [x2]

Take my hand and lead me through
The glorious fields to be with You
Take my hand and lead me through
I am Yours

And I am in love, with undivided focus
And I am in love with You
I am in love

And I am in love, with undivided focus
And I am in love with You

I wanna be a laid-down lover [x3]
Filled with You

I wanna be a fearless lover [x3]
Filled with You

I feel my way down this undiscovered hope
I run my hand along the wall
I'm waiting here for Your call
And I will follow You to the center of Your heart

I wanna be a laid-down lover [x3]
Filled with You

I wanna be a fearless lover [x3]
Filled with You
Filled with You

And I am in love, and I am in love
I'm in love with You...

And I am in love, with undivided focus
And I am in love with You
