Ain't no sunshine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she's gone  
And she always gone to long anytime she goes away,  
hay

Wonder this time where shes gone  
Wonder if she's gone to stay  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away (anytime she goes away)

hmmm  
ooh, no, no, no, no  
ooh, no, no, no, no  
ooh, no, no, no, no  
ooh, no, no

All I need (all I need)  
I ought to leave the young thing alone  
Ain't no sunshine when she's gone (ain't no sunshine  
when shes gone)  
Ain't no sunshine when she's gone (ain't no sunshine  
when shes gone)  
Only darkness everyday (Only darkness everyday)

Ain't no sunshine when shes gone  
And this house just ain't no home  
Anytime she goes away (anytime she goes away)

Do, do, do, do, do, ooh (ain't no sun)  
Do, do, do, do, do (ain't no sun)  
(no, no, no, no, no, no, no) ooh  
(no, no, no) ooh, ooh  
Anytime she goes away

Ain't no sunshine when she's gone (ain't no sunshine  
when she's gone)  
(it's not warm when she goes away) It's not warm when  
she goes away  
(Ain't no sunshine when she's gone)

And she's always gone too long  
Anytime she goes away (ain't no sunshine when she  
gone)  
Anytime she goes away

Anytime she goes away  
Anytime she goes away (ain't no sunshine when she  
goes)  
Anytime she goes away (Only everyday)  
Anytime she goes away  
Anytime she goes away (ain't no sunshine when she  
goes)  
Anytime she goes away
