I have climbed highest mountain, I have run through
the fields
Only to be with you, only to be with you
I have run, I have crawled, I have scaled these city
walls
These city walls, only to be with you

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I have kissed honey lips, felt the healing in her
fingertips
It burned like fire, this burning desire
I have spoke with the tongue of angels, I have held the
hand of a devil
It was warm in the night, I was cold as a stone

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I believe in the kingdom come, then all the colors will
bleed into one
Bleed into one, well yes I'm still running
You broke the bonds and you loosed the chains
Carried the cross of my shame
Of my shame, you know I believed it

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
