Some people live for the fortune, some people live just  
for the fame  
Some people live for the power yeah  
Some people live just to play the game  
Some people think that the physical things define  
what's within  
And I've been there before but that life's a bore  
So full of the superficial

Some people want it all but I don't want nothing at all  
If it ain't you baby, if I ain't got you baby  
Some people want diamond rings, some just want  
everything  
But everything means nothing if I ain't got you

Some people search for a fountain that promises  
forever young  
Some people need three dozen roses  
And that's the only way to prove you love them  
Hand me the world on a silver platter and what good  
would it be ?  
With no one to share, with no one who truly cares for  
me

Some people want it all but I don't want nothing at all  
If it ain't you baby, if I ain't got you baby  
Some people want diamond rings some just want  
everything  
But everything means nothing, if I ain't got you

You, you

Some people want it all but I don't want nothing at all  
If it ain't you baby, if I ain't got you baby  
Some people want diamond rings, some just want  
everything  
But everything means nothing if I ain't got you

If I ain't got you with me baby  
Nothing in this whole wide world don't mean a thing  
If I ain't got you with me baby
