(Chris Rea cover)

There's rain on my window but I'm thinking of you
Tears on my pillow but I will come through
Josephine, I'll send you all my love
And every single step that I'll take, I'll take for you

Josephine, I'll send you all my love
Josephine, I'll send you all my love

There's a storm on my radar but I can still fly
Oh, and you are the reason the blue in my sky
Josephine, I'll send you all my love
And every single step that I'll take, I'll take for you

Josephine, I'll send you all my love
Josephine, I'll send you all my love

[Guitare et clavier solo]

There's rain on my window but I'm thinking of you
Tears on my pillow but I will come through
Josephine, I'll send you all my love
And every single step that I'll take, I'll take for you

Josephine, I'll send you all my love
Josephine, I'll send you all my love

A life without meaning, I was walking away
In the coldest of winters night becomes a day
Josephine, I'll send you all my love,
And every single step that I'll take, I'll take for you

Josephine, I'll send you all my love
Josephine, I'll send you all my love
Josephine, I'll send you all my love
Josephine, I'll send you all my love.
