Just a still town girl on a saturday night, lookin' for the
fight of her life
In the real-time world no one sees her at all, they all
say she's crazy
Locking rhythms to the beat of her heart, changing
woman into life
She has danced into the danger zone, when a dancer
becomes a dance

It can cut you like a knife, if the gift becomes the fire
On a wire between will and what will be

She's a maniac, maniac on the floor
And she's dancing like she's never danced before
She's a maniac, maniac on the floor
And she's dancing like she's never danced before

On the ice-build iron sanity is a place most never see
It's a hard warm place of mystery, touch it, but can't
hold it
You work all your life for that moment in time
It could come or pass you by
It's a push of the world, but there's always a chance
If the hunger stays the night

There's a cold connective heat, struggling, stretching
for defeat
Never stopping with her head against the wind

She's a maniac, maniac, I sure know
And she's dancing like she's never danced before
She's a maniac, maniac, I sure know
And she's dancing like she's never danced before

It can cut you like a knife, if the gift becomes the fire
On a wire between will and what will be

She's a maniac, maniac, I sure know
And she's dancing like she's never danced before
