(The Police cover)

Just a castaway an island lost at sea
Another lonely day with no one here but me
More loneliness than any man could bear
Rescue me before I fall into despair

I'll send an SOS to the world
I hope that someone gets my
I hope that someone gets my
Message in a bottle, message in a bottle

A year has passed since I wrote my note
But I should have known this right from the start
Only hope can keep me together
Love can mend your life but love can break your heart

I'll send an SOS to the world
I hope that someone gets my
I hope that someone gets my
Message in a bottle, message in a bottle

(Guitare et clavier solo)

Walked out this morning, don't believe what I saw
A hundred billion bottles washed up on the shore
Seems I'm not alone at being alone
A hundred billion castaways looking for a home

I'll send an SOS to the world
I hope that someone gets my
I hope that someone gets my
Message in a bottle, message in a bottle

I'm sending out an SOS, I'm sending out an SOS
I'm sending out an SOS, I'm sending out an SOS
I'm sending out an SOS, I'm sending out an SOS
I'm sending out an SOS, I'm sending out an SOS.
