(Bob Marley cover)

I remember when we used to sit in a government yard
in Trenchtown
Observing the hypocrites mingle with the good people
we meet
Good friends we have, oh, good friends we have lost
along the way
In this great future, you can't forget your past, so dry
your tears, I seh

No woman no cry, no woman no cry
Little darling, don't shed no tears, no woman no cry

Said I remember when we use to sit
In the government yard in Trenchtown
And then Georgie would make the fire lights i seh
Log would burnin' through the nights
Then we would cook cornmeal porridge of which i'll
share with you
My feet is my only carriage and
So I've got to push on thru, oh, while i'm gone

Everything 's gonna be alright, everything's gonna be
alright
Everything 's gonna be alright, everything's gonna be
alright
Everything 's gonna be alright, everything's gonna be
alright
Everything 's gonna be alright, everything's gonna be
alright
No woman no cry

[Clavier solo]

Said I remember when we use to sit
In the government yard in Trenchtown
And then Georgie would make the fire lights i seh
Log would burnin' through the nights
Then we would cook cornmeal porridge of which i'll
share with you

My feet is my only carriage and
So i've got to push on thru, oh, while i'm gone

Everything 's gonna be alright, everything's gonna be
alright
Everything 's gonna be alright, everything's gonna be
alright
Everything 's gonna be alright, everything's gonna be
alright
Everything 's gonna be alright, everything's gonna be
alright

No woman no cry, no woman no cry
I seh little darlin' don't shed no tears, no woman no cry
I seh little darlin' don't shed no tears, no woman no cry.
