Stir it up little darlin' stir it up
Oh yeah, yeah
Stir it up little darlin' stir it up

It's been a long long time
Since I had you on my mind
Now you are here it's so very clear
There's so much we could do
Just me and you
Come on and stir it up little darlin' stir it up
Oh yeah, yeah
Stir it up little darlin' stir it up

I'll push the wood, light the fire
I'll satisfy your hearts desire
I will stir it every, every minute
All you have to do, girl,
Is keep it in it

Quench me when I'm thirsty
Cool me down baby when I'm hot
Your recipe is so tasty
When you show and stir your pot

Stir it up little darlin' stir it up
Oh yeah, yeah
Stir it up little darlin' stir it up

Ami oh, le monde est ma maison
Et le ciel est mon toit
Viens avec moi
Ami oh, l'amour est ma raison
Et le bonheur ma loi
Viens avec moi

Ami oh, le monde est ma maison
Et le ciel est mon toit
Viens avec moi
Ami oh, l'amour est ma raison
Et le bonheur ma loi
Viens avec moi
