(Stevie Wonder cover)

Very superstitious writings on the wall  
Very superstitious ladder 'bout to fall  
Thirteen month old baby broke the looking glass  
Seven years of bad luck, the good things in your past  
When you believe in things you don't understand then  
you suffer  
Very superstitious ain't the way

Ooh very superstitious wash your face and hands  
Rid me of the problem do all that you can  
Keep me in daydream keep me goin' strong  
You don't wanna save me sad is my song  
When you believe in things you don't understand then  
you suffer  
Superstition ain't the way

[Clavier solo]

Very superstitious nothing more to say  
Very superstitious the devil's on his way  
Thirteen month old baby broke the looking glass  
Seven years of bad luck, the good things in your past  
When you believe in things you don't understand then  
you suffer  
Superstition ain't the way.
