(Sting cover)

Chase the dog star over the sea
Home where my true love is waiting for me
Rope the south wind canvas the stars
Harness the moonlight so she can safely go
Round the Cape Horn to Valparaiso

Red the port light starboard the green
How will she know of the demons I've seen
Cross in the sky, star of the sea
Under the moonlight, there she can safely go
Round the Cape Horn to Valparaiso

And every road I walked would take me down to the
sea
With every broken promise in my sack
And every love would always send the ship of my heart
Over the rolling sea

If I should die and water's my grave
She'll never know if i'm damned or I'm saved
See the ghost fly over the sea
Under the moonlight, there she can safely go
Round the Cape Horn to Valparaiso
