"With Or Without You"

See the stone set in your eyes, see the thorn twist in
your side
I wait for you
Sleight of hand and twist of fate, on a bed of nails she
makes me wait
And I wait...without you, with or without you, with or
without you

Through the storm we reach the shore, you give it all
but I want more
And I'm waiting for you, with or without you, with or
without you
I can't live with or without you

And you give yourself away, and you give yourself
away
And you give, and you give, and you give yourself
away

My hands are tied, my body bruised, she's got me with
Nothing left to win and nothing else to lose

And you give yourself away, and you give yourself
away
And you give, and you give, and you give yourself
away

With or without you, with or without you
I can't live, with or without you, with or without you
