Don't judge  
Don't believe what you see  
Don't judge  
There's so much more to me  
Inside  
It's hard to be clear  
Inside  
Yeah I feel the fear

I'm finding my way I'm finding my way  
I can do it alone  
I'm finding my way I'm finding my way  
But there's so much so much more to say  
I'm finding my way

I feel  
That feeling is wrong  
I feel  
And I'm lonely once more  
I trust  
That I can't survive  
I trust  
It's hard to stay alive

I'm finding my way I'm finding my way  
I can do it alone  
I'm finding my way I'm finding my way  
But there's so much so much more to say  
I'm finding my way

I choose  
The hard way to go  
And I choose  
It's all that I know  
It's dark and I wanna see the light  
It's dark and I wanna do what's right

I'm finding my way  
I'm finding my way  
I'm finding my way  
I'm finding my way

I'm finding my way  
I'm finding my way

Don't judge  
Don't believe what you see  
Don't judge  
There's so much more to me

I'm finding my way  
I'm finding my way  
I'm finding my way  
I'm finding my way  
I'm finding my way  
I'm finding my way

Along the long long road  
Finding my dreams

I'm finding my way  
I'm finding my way  
I'm finding my way  
I'm finding my way  
I'm finding my way  
I'm finding my way
