Today the past is like a dress  
I put it on and see myself  
So strange, just like a stranger  
But I recognized the face

And oh, I wish the past was different  
And oh, I wish it wasn't so  
But in the end, because I'm here now  
In the end, I think you know  
I can't say it and you can't feel it  
But I can not let it go  
And oh, I wish the past was different  
And oh, I wish it wasn't so

I am astonished by the difference  
Fragile truth makes in our lives  
And I'd be grateful if I could be  
But I cannot face the lies

And oh, I wish the past was different  
And oh, I wish it wasn't so  
But in the end, because I'm here now  
In the end, I think you know  
I can't say it and you can't feel it  
But I can not let it go  
And oh, I wish the past was different  
And oh, I wish it wasn't so
