He, he don't belong anymore  
And he, he has no place anymore  
It's dark and cold  
So dark and cold  
And he, he don't belong anymore

Nothing in his heart  
Nothing in his soul  
Nothing in his eyes,  
Empty and cold  
Nothing left to stand for  
No one left to hold  
Nothing in his hands anymore  
He don't belong anymore

He don't understand anymore  
And he, he can't believe anymore  
The truth, the lies  
The pain when he tries  
He can't understand anymore

Nothing in his heart  
Nothing in his soul  
Nothing in his eyes  
Empty and cold  
Nothing left to stand for  
No one left to hold  
Nothing in his hands anymore  
He don't belong anymore

No father, no son  
No future, no past  
No place on this land  
No lover, no wife  
No reason to fight  
No reason to stand

Nothing in his heart  
Nothing in his soul  
Nothing in his eyes  
Empty and cold

Nothing left to stand for  
No one left to hold  
Nothing in his hands anymore  
He don't belong anymore
