One day you think, it all comes right
One day, believe fate will be kind
But if you wait one day too long
You'll lose what matters most, it'll be gone

Oh, some are brave but I'm not one of them
Oh, some speak up, but I have no voice
I want to dance, I want to sing for you
But I'm locked away inside my heart

You could not hear what I tried to say
You could not see what I had to give
Why did I wait, why do I always wait?
I want so much but then I freeze

Was that me?
I was invisible
Was that you?
I'll never, never know

Oh some are brave but I'm not one of them
Oh some speak up, but I have no voice
I want to dance, I want to sing for you
But I'm locked away inside my heart

No need to speak, he'll just know
No need to ask, he isn't blind at all

Oh some are brave but I'm not one of them
Oh some speak up, but I have no voice
I want to dance, I want to sing for you
But I'm locked away inside my heart

Locked away... inside my heart
